

Made with Takara Shochu, the brand at the heart of Japan's chu-hi culture for generations, Takara Shochu Highball reflects the dry, easy-drinking character that defines the style. Crisp and invigorating, it captures the essence of the drink that has remained a staple of Japanese pub life for decades.

TaKaRa Shochu Highball DRY

Food Pairing Suggestions: Savory snacks like salted nuts, potato chips, and pretzels; bar fare including French fries and chicken tenders; and simple sandwiches such as a club or cutlet sandwich (*katsu sando*).
